Enclosed for your information are two copies of our proposed retirement amendment which I believe OMB will be sending you shortly for formal clearance. The new financing proposals are explained under section 865 of the amendments and in enclosure 2, the last three pages of the document. I worked these arrangements out with the Treasury and CSC actuaries, and believe the formula will break the long-standing impasse between Treasury and CSC on this subject.

I would appreciate anything you can do to expedite CIA's response to OMB on this subject.

A handwritten signature in cursive script, appearing to read "R. B. Hull".
